Our Mission Statement

Our Lady of Mercy Catholic Academy Is
Committed to Academic Excellence
that is rooted in the Catholic Faith,
affirmed by the teachings of Jesus
Christ and centered on Our service to
God ,Family and Community.

What Are The Teachings of Jesus Christ?

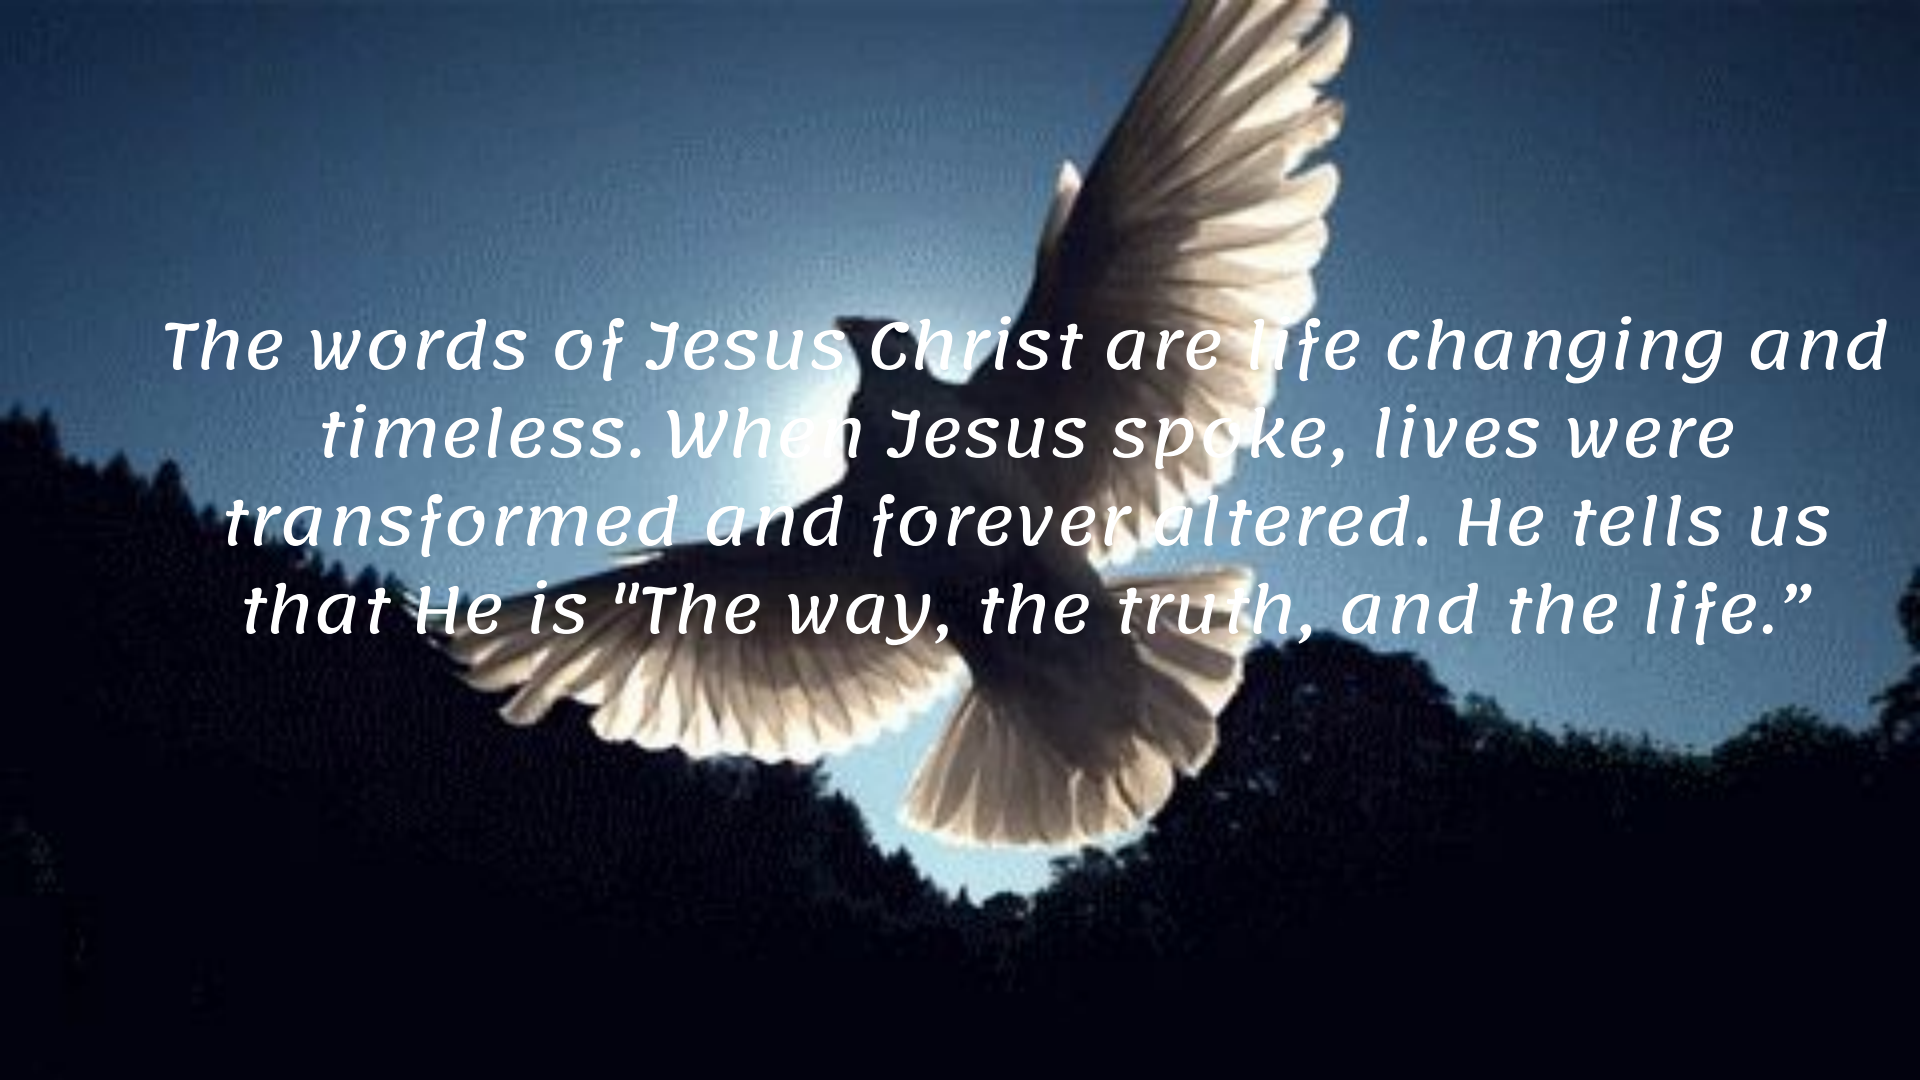

The teachings of Jesus Christ are his preachings and stories. He is showing us how much God loves us and how we can be closer to him. Through simple parables to huge preachings, Jesus just wants us to be closer to God and for us to love him just as much as he loves us.

Why Do We Listen To The Teachings.

We listen to the teachings of Jesus because it teaches us how to be a better person. It teaches us how to be like him and be more faithful to God. By doing this we learn more about Jesus' life and how much God loves us.

Why Do We Listen To The Teachings Pt. 2

Our Lady Of Mercy Catholic Academy is based greatly on Catholic Faith. Without it we would not be able to become as close to God as we would without listening to the teachings in our classes and homes.

A white dove is shown in flight, its wings fully extended, against a clear blue sky. The dove is positioned centrally, with its wings spread wide. Below the dove, the dark silhouette of a treeline is visible against the sky. The text is overlaid on the image in a white, serif font.

The words of Jesus Christ are life changing and timeless. When Jesus spoke, lives were transformed and forever altered. He tells us that He is "The way, the truth, and the life."

The Word Of God

What does the Bible say about the Word of God? Since the Bible is often considered the "Word of God" there is much to find about this topic in scripture. The Bible is referred to as the Word of God meaning it can be considered a direct line of communication from God to man. The Bible is interpreted by the authors of the books.

Some of Jesus' Parables

Where Do We Listen to Jesus' Teachings?

We listen to the teachings by either going to his teachings everywhere especially mass and school. During the mass we listen to the teachings as the priest reads the bible of Jesus' story we listen to this to find more information on how to become closer to God.

Where Do We Listen to Jesus' Teachings? Pt.2

We also can listen to the stories our teachers tell us in class. The last one is we can read the bible anywhere we want especially in our homes and really everywhere.

How do we Listen to Jesus' Teachings

We listen to Jesus' teachings by just having faith in and loving God. The message of Jesus' teachings is exactly that. By just doing that simple thing, we already know Jesus' teachings by heart.

Our Lady of Mercy Catholic Academy listens to these teachings all the time. In our daily gospels, readings, homilies, and everyday classes, we hear all of Jesus' teachings. I bet that most classes knows at least one parable by heart. Mine (Isabella) would have to be the Prodigal Son.
