Academic Excellence

Students from OLMCA have a great academic excellence.

Academic excellence is the demonstrated ability to perform, achieve, and/or excel in scholastic activities. We try and do our best as students in this school.

Academic Achievement

Academic achievement or performance is the expanse to which a student, teacher, or anyone in the community has achieved their short or long-term educational goals.

SUCCESSFUL STUDENTS

All Students from Our Lady of Mercy are very successful. We are always so eager to learn and we all have a great education and are very successful later on.

Academic excellence has
been identified with
achieving high grades and
superior performance. But
academic excellence is
more than just making
good grades.
